

**PN 3903S-6 BUCKLINK™ SLING**  
**6/20/19**

The PN 3903S-6 BuckLink sling has been updated. It is now made with 100% Dyneema® webbing.

It is stitched using a new smaller ½" x 1 ¼" stitch pattern, making the sling more flexible.

Has new BuckViz™ green wear guard on end of sling and leather label cover to protect the label.

New label has ratings for straight, choked and basket configurations.

MBS. Ratings when New  
Straight: 5,000 lbf.  
Choked: 5,000 lbf.
