

TRANSFORMER SLING MAGNET /HARDWARE MAGNET

ENDLESS OPTIONS WITH THE USE OF A STRONG MAGNET

(Shown on belt. Belt not included)

Transformer Sling Magnet /Magnet Wrist Band

M3

This product was designed to keep your sling eye securely in place while attaching the other end to the transformer lifting ear. Magnet attaches around sling with hook and loop closure for easy use. Can also be used to hold various nuts and bolts on a line belt or aerial basket.

FEATURES:

- Keeps sling eye securely in place.
- Easily attach to your belt to store loose hardware with the use of the strong magnet.
- Attach to a bag for hardware storage.
- Endless options with the use of the magnet.
